She is sent on an espionage mission to the alien planet of Katiera. She finds herself torn between her loyalties to her home world Earth, and the new feelings she is developing towards the people of Katiera and their Commander. Will she choose to break the ties that bind her to a dying home world? Or . . . Will she embrace her new life, and with it, a love far greater than any she could have imagined? Prime Commander KydEL must negotiate an alliance between the two alien nations of Kiljor and Katiera. The moment he meets the female warrior from Earth, she turns his world upside down. The female causes unexpected mating urges to rise up within him. It is distracting and disruptive. He makes every effort to ignore her and the mating urges driving him day and night. Will he be able to succeed with the negotiations before an all-out war descends? Will he overcome the mating urges or will he finally give in to them? Or will he wait too long and lose her to a rival? The story revolves

around Takemoto Takeru who lives with his aunt and uncle and their young daughter Mari. Takeru was abandoned by his parents when he was very young and has emotional scars, which he keeps buried within himself. His friend Ryou, who lives alone with his younger sister Kimi has a similar situation in his past and is Takeru's close friend. In school, the two occupy opposite ends of the "popularity scale", with Ryou being popular amongst the girls, where Takeru, well, isn't so popular. Two girls who follow Ryou around are Amika and Sakurako, making up the story's main group of five characters. These are more than dreams and visions: they're a calling. Six people. Five mind-numbing visions. Four ancient and mysterious artifacts. Two exotic locations. And one greedy man who will stop at nothing, not even murder, to achieve his goal. Rev. Adam Bridger and his wife, Dr. Rachel Tremaine are once again in the center of an adventure not of their making. And joining them are four total strangers who, along with Rachel, have seen visions that most mortals can't imagine. They have been called on a mission that will forever change the world--if they survive. When originally published in 1984, and based on archival research, this book was the first fully documented discussion of German naval strategy and planning from 1862-1914 against France, Russia, Great Britain, the United States and Japan. It will be invaluable to students of naval and military history, strategy and diplomacy, as well as those of German history. Summary Relevant Search demystifies relevance work. Over 70 authors and veterans share the sacrifices so many of America's veterans have made, in peacetime and in war, throughout the 20th century. You'll read about Duty, Honor, Courage - from the testing of a submarine, to the loss of the Space Shuttle Challenger, to the everyday sacrifice of men and women in uniform, whether serving during peace or war. You'll walk bloodied beaches, soar over enemy turf, pray, crawl in and out of caves, tend the wounded, shoot and be shot at, feel your heart race with fright as flak comes at you from every direction...walk the deck...hit the deck...feel the heat as fire dances across the deck, into the cockpit and into the foxhole you occupy. Your heart will constrict as the man in front of you takes the bullet meant for you. You'll know the painful bite of shrapnel, the gnawing ache hunger brings and red-hot anger as a comrade falls. But most of all, you'll experience total, unabridged fear as you watch the enemy advance through the eyes of the author, and a swelling of pride as you meet America's veterans. James Lockhart, an eminent historian of early Latin America, is the leading interpreter of Nahuatl texts. One of his main tools of instruction has been Horacio Carochi's monumental 1645 *Arte de la lengua mexicana*, the most influential work ever published on Nahuatl grammar. This new edition includes the original Spanish and an English translation on facing pages.
