**Saving Fiona Dec 29 2022 The amazing, true story of Fiona, a baby hippo born prematurely at the Cincinnati Zoo, the team of scientists and caregivers who nursed her to health, and the vast community in Cincinnati and beyond who rallied around her. Includes full-color behind-the-scenes photographs throughout. On a cold January day in 2017, nearly two months before due date, Nile hippopotamus Bibi gave her keepers at the Cincinnati Zoo & Botanical Garden a big (little) surprise—a tiny newborn hippo, no bigger than a football. The first premature hippo born and raised in captivity, baby Fiona was an underdog from the start: she couldn't nurse, she couldn't stay hydrated, and she wasn't thriving. But the staff at the zoo knew they could save her. It would take creative thinking and teamwork. They would have to study the makeup of hippo milk for the first time ever and reach out to medical colleagues, including a team at the local Children's Hospital with superior vein-finding skills, to ensure that Fiona would begin to gain weight and become healthy. When Fiona began to thrive, her star began to rise, and soon she became an**

**internet sensation, her picture and videos garnering thousands and thousands of likes and fans on Instagram and Facebook. Now a Fiona appearance at the Zoo mimics a Beatles concert. What made this little, now big, hippo such a big hit with people all over the world? And what's in store for her and her family in the future?**

**Outrages Jan 18 2022 The bestselling author of *The Beauty Myth*, *Vagina* and *The End of America* chronicles the struggles and eventual triumph of John Addington Symonds, a Victorian-era poet, biographer, and critic who penned what became a foundational text on our modern understanding of human sexual orientation and LGBTQ+ legal rights. In *Outrages*, Naomi Wolf chronicles the struggles and eventual triumph of John Addington Symonds, a Victorian-era poet, biographer, and critic who penned what became a foundational text on our modern understanding of human sexual orientation and LGBTQ+ legal rights, despite writing at a time when anything interpreted as homoerotic could be used as evidence in trials leading to harsh sentences under British law. Wolf's book is extremely relevant today for what it has to say about the vital importance of freedom of speech and the courageous roles of publishers and booksellers in an era of**

**growing calls for censorship and ever-escalating state violations of privacy. At a time when the American Library Association, the Guardian, and other observers document national and global efforts from censoring LGBTQ+ voices in libraries to using anti-trans and homophobic sentiments cynically to win elections, the story of how such hateful efforts evolved from the past, to reach down to us now, is more important than ever. Drawing on the work of a range of scholars of censorship and of LGBTQ+ legal history, Wolf depicts how state censorship, and state prosecution of same-sex sexuality, played out-decades before the infamous trial of Oscar Wilde-shadowing the lives of people who risked in ever-changing, targeted ways scrutiny by the criminal justice system. She shows how legal persecutions of writers, and of men who loved men affected Symonds and his contemporaries, all the while, Walt Whitman's Leaves of Grass was illicitly crossing the Atlantic and finding its way into the hands of readers who reveled in the American poet's celebration of freedom, democracy, and unfettered love. Inspired by Whitman, Symonds kept trying, stubbornly, to find a way to express his message-that love and sex between men were not 'morbid' and deviant, but natural and even ennobling. He wrote a strikingly honest secret memoir written in code to embed hidden messages-which he embargoed for a generation after his death - and wrote the essay A Problem in Modern Ethics that was secretly shared in his lifetime and is now rightfully understood as one of the first gay rights manifestos in the English language. Equal parts insightful historical critique and page-turning literary detective story, Wolf's Outrages is above all an uplifting testament to the triumph of romantic love.**

**Paranorthern Aug 13 2021 "In this middle-grade graphic novel, a witch named Abby and her three friends—a wolf-girl, a ghost, and a pumpkinhead—band together to try and save their supernatural town from an invasion of rabid (but adorable) chaos bunnies"--**

**Morning Glory on the Vine May 22 2022 A gorgeous compendium of Joni Mitchell's handwritten lyrics and drawings, originally handcrafted as a gift for a select group of friends in 1971 and now available to the public for the first time In 1971, as her album Blue topped charts around the world, Joni Mitchell crafted one hundred copies of Morning Glory on the Vine as a holiday gift for her closest friends. For this stunningly beautiful book, Joni hand-wrote an exquisite selection of her own lyrics and poems and illustrated them with more than thirty of her original pictures. Handcrafted, signed, and numbered in Los Angeles, the existing copies of this labor of love have rarely been seen in the past half-century. Now, during Joni's seventy-fifth birthday year, Morning Glory on the Vine: Early Songs and Drawings will be widely available for the first time. In this faithfully reproduced edition, Joni's best-loved lyrics and poems spill across the pages in her own elegant script. The lively, full-color drawings depict a superb array of landscapes, still lifes, portraits of friends, self-portraits, innovative abstractions, and more. All the artwork from the original book is included, along with several additional pictures that Joni drew of her friends from the same period. Finally, the refreshed volume features an original introduction written by Joni. Morning Glory on the Vine is a gorgeous and intimate keepsake and an invitation to explore anew the dazzling, visionary world of Joni Mitchell.**

**Rebecca of Sunnybrook Farm Feb 25 2020 The old stage coach was rumbling along the dusty road that runs from Maplewood to Riverboro. The day was as warm as midsummer, though it was only the middle of May, and Mr. Jeremiah Cobb was favoring the horses as much as possible, yet never losing sight of the fact that he carried the mail. The hills were many, and the reins lay loosely in his hands as he lolled back in his seat and extended one foot and leg luxuriously over the dashboard. His brimmed hat of worn felt was well pulled over his eyes, and he revolved a quid of tobacco in his left cheek.**
