Messages from Your Angels is a sequel to the bestselling Angel Therapy, 75,000 sold! This is a channeled book that contains uplifting and fresh information from the angelic realm. The angels, including Archangel Michael, provide healing messages that help readers to heal from emotional pain, find their life's purpose, understand their love life, and make decisions about important life areas. Doreen receives many letters from people who find Angel Therapy a steady source of comfort and guidance. Many people keep Angel Therapy next to their bed, and open it randomly, like an oracle. Messages from Your Angels will offer new levels of comfort, inspiration, and guidance, and will function as a divination tool as well. Flower Therapy is the art of working with flowers, flower essences, and angels for healing, manifestation, and abundance. With flowers as your allies, your dreams really can come true, and you'll see that nature truly has the ability to heal! In this book, Doreen Virtue and Robert Reeves give in-depth information about 88 common flowers, illustrated with gorgeous, full-color photographs. You'll find out about the flowers' energetic and healing properties, discover which angels are connected to each one, and learn to associate different species with the various chakras (beyond simply categorizing them by color). In addition, there's a loving, channeled message of guidance and support directly from each flower's energy. Doreen and Robert also share with you new and exciting ways to work with Flower Therapy: Create custom bouquets for dear friends. Gather wildflowers to heal and deepen your spirituality. Or choose the perfect blooms for your garden to enhance your connection to the angels. They discuss flower essences, picking fresh blossoms, and purchasing floral arrangements. You'll even be guided through energetic clearing methods and receive detailed instructions about how to perform a Flower Therapy reading. While flowers have an energy that must be experienced, it's not necessary for you to gather any in order to do so. The photos inside, which have been infused with healing energy, are all you need to begin your journey. So, whether you have a green thumb or not, Flower Therapy can start making a difference in your day . . . and bring blessings into your life! Do you crave chocolate, bread, cheese, fries, or other foods? If so, there's a reason why, as Doreen Virtue's breakthrough book explains. Each food craving actually corresponds to a specific underlying emotion; so once you understand the meaning behind your particular craving and apply the information and affirmations within these pages, you'll be able to heal your cycle of emotional overeating. In addition, you'll read scientific studies about the mood- and energy-altering properties of each food, which will help you see how your appetite perfectly mirrors your emotions. This comprehensive and empowering guide will also show you how to give "food readings" to yourself and others, allowing you to accurately interpret the meaning behind many cravings. Constant Craving is a one-of-a-kind book that will give you the emotional, physical, and spiritual tools you need to make friends with food . . . and your appetite! An unique guide offers basic tips and techniques for communication with God and the angels by exploring The Four Clairs--Clairaudience or clear hearing, Clairvoyance or clear seeing, Claircognizance or clear knowing, and Clairsentience or clear feelings--the portals needed for obtaining divine counsel. Original. When Doreen and her son Grant Virtue were recording podcasts, they noticed that whenever she said the word angel, the recording graphics were shaped like angel wings! So they studied the other words she said and realized that those with a spiritual or loving basis had large graphs. So they experimented with saying negative words and found that their appearance was completely different: tight and small. Similar to Masaru Emoto's work with water crystals, Angel Words gives visual proof of the power and impact of speaking in a loving way. You'll come to understand why positive words express the most energy and therefore have the most power to manifest your dreams. You'll also see how negative words have low energy and read how they can actually draw negative experiences to you. This unforgettable book will immediately motivate you to choose positive words! When Doreen Virtue visited Santorini Island in Greece recently, she was contacted by a powerful group of angels calling themselves the "angels of Atlantis." Doreen was then taken on an amazing spiritual adventure, where she uncovered the ancient secrets of the healing temples of the lost civilizations of Atlantis. Doreen found that her previous healing work with the angels, as well as the thousands of case studies of angelic healing that she'd amassed over the years, dovetailed perfectly with the messages from the angels of Atlantis. Part spiritual adventure story and part reference book, Angel Medicine is a three-part work that relates the exciting story of Doreen's recovery of memories of Atlantean healing

methods along with messages from the Egyptian and Greek prophet and deity Hermes and the angels. The second and third parts of the book reveal the scientific studies, case studies, methods, and charts supporting the importance of love and light in healing. Whether you want to heal yourself or someone else, you're sure to gain additional faith and understanding from reading Angel Medicine. In this enlightening work, Virtue teaches the many ways in which the Archangel Michael brings peace to people everywhere. In the same way that "The Indigo Children" was a phenomenon that was much talked-about, before the book came out and explained it, "Earth Angels" is a topic of much discussion among spiritually minded people world-wide. Four years ago, Doreen Virtue wrote an article on the topic, and then a chapter in her book, "Healing with the Angels," and then more information in "Healing with the Fairies." Since that time, Doreen has been flooded with letters from people who resonate with the idea, requesting more information. "Earth Angels" will be the first book devoted to the topic. Doreen will describe the five different types of lightworkers: Incarnated Angels (those who had previous lives as angels, but who are now here as humans); Incarnated Elementals (those whose previous lives were in the elemental kingdom, as fairies, elves, etc.); Starpeople (those who have lived the majority of their past lives on other planets); Walk-In's (those who came from a high spiritual realm and walked-in to another person's life, as that soul gladly exited their body); and Reincarnated Sorcerers, Sorceresses, and Wizards (those whose most recent past life was during Arthurian or Atlantean times, when they practiced high magic). The book will include dozens of case studies; a fascinating analysis of an extensive survey that Doreen has conducted among people who identify with the five types of Earth Angels; and guidance to help readers to feel happier about their lives, their own idiosyncrasies, and their missions. Dr. Doreen Virtue's life changed dramatically when angels miraculously warned her and then intervened during a carjacking. After her angelic encounter, Doreen began asking the angels for additional guidance. They answered her requests with very clear and loving words. She writes of how the angelic guidance affected her work as a psychotherapist: "I began helping my counselling clients to hear their own angels. Very quickly, I discovered that the healing power of the angels exceeds any form of 'man-made' therapy I had ever witnessed. The angels have wonderful gifts from God to impart to us." In *Angel Therapy*, Doreen delivers The Angelic Realm's messages of comfort and guidance that can help you with troubling emotions such as depression, boredom, confusion, and anger; and issues associated with careers, relationships, parenting, and much more. In August of 2012, during the period where planetary and human changes were taking place, author Sylvia Dokter received a special request from Sri Babaji Nagaraj, an ascended master. He asked her to work with her friend, mentor, and business partner, Ivonne Delaflor Alexander, to create a book that could be shared with humanity in order to facilitate a global awakening. *Unplug Your Mind* is the final product of the messages received by telepathic transmission and recorded by Delaflor Alexander from such masters as Jesus, Lord Maitreya, Hermes, Mary Magdalene, and many more ascended gestalts of consciousness. Dokter also provides commentary and explanations of her own experience of walking through the sacred messages. These messages—exposing secrets of hidden societies, governmental organizations, and those of the powerful elite—communicate clear recommendations and suggestions for how to unplug from this fifteen-dimensional time matrix system, where the mindset of humanity has been controlled for thousands of years through cultural and religious indoctrination. Archangels are very powerful, wise, and loving guides who can motivate and heal you in miraculous ways. This deck of 45 oracle cards by
