Reader review 'loved all the twists and turns; kept me guessing! I really enjoyed this, read it in one sitting!' (5 stars) Reader review THIS is the story of my life in Christ. Now, what does living in Christ mean? It means that one is FOR Christ, that one not only accepts Him, but that one lives in Him. Living in Christ has little relationship to the more commonly accepted situation of living as a Christian, or living a Christian life. Living AS a Christian means that one has accepted the tokens of Christianity, that one agrees in the divinity of Christ, that one is a member of a Christian congregation, in a largely Christian community, in a Christian nation. Thus, one can lead a Christian life without knowing Christ and without changing one's existence in the slightest degree. If a person leads a Christian life, and it does not transform one's existence, then

one can be sure that he does not KNOW Christ. Knowing Christ is the only manner in which one can go beyond oneself, and the only manner in which one can go beyond one's world. In knowing Christ, one is immediately lifted out of the mechanical life of the human existence, one transcends the common existence. One is no longer a human machine, leading a hopeless, mechanical life, repeating the same meaningless motions like a robot throughout the years of one's earthly existence. What was Christ's admonition? "Take up the Cross, and follow Me." But, in explication of this admonition, the New Testament contains many significant references to the condition of sleep, and Christ's exhortations to mankind to awaken. Now, what does this mean? It means that Christ did not wish to be followed by robots and sleepwalkers, He desired man to awaken, and to attain the full use of his earthly powers. Not only are mechanical men of no use to Christ, but they are quite dangerous, they present endless difficulties in the establishment of Christ's Kingdom on earth.

International Bestselling Author Ava Miles' new family series, *The Merriams*, is back with a good guy trying to get his bad boy on, a good girl starting a risky perfume venture, and everyone's favorite matchmakers. Beau Masters wants to be a bad boy. All his life, he's been careful to be the good guy country singer, the boy-next-door, who opens doors for ladies and says "aw, shucks, ma'am." But a decades-old secret blows the hinges off the door to his life. Everything he thought he knew has scattered to the wind, leaving him questioning who he really is. So when Caitlyn Merriam asks him to be the celebrity spokesperson for the new perfume she's creating in far-off Provence, he swaps out his white cowboy hat for a black one and packs his bags to get away from the past. Caitlyn didn't expect the gorgeous rockstar to join her in her quaint farmhouse in the French countryside. She figures it will only worsen her crush on him. But as Beau tries to get his bad boy on (rather unsuccessfully, in her opinion), she knows something is wrong and calls in back-up. Uncle Arthur

and Aunt Clara might be bent on matchmaking these days, but they know how to straighten someone out, and Caitlyn needs all the help she can get to keep her spokesperson on track. But soon it's not just about business, and they're holding hands and walking the lavender fields together. Until Beau's secret threatens to bring down her new venture and the love blossoming between them. ---- If you love books by Nora Roberts, Nicholas Sparks, Susan Elizabeth Phillips, Debbie Macomber, Robyn Carr, Elin Hilderbrand, Danielle Steele, Barbara O'Neal, Susan Mallery, Kristan Higgins, Sherryl Woods, Jill Shalvis, Roisin Meaney, Melody Grace, Melissa Foster, Addison Cole, Bella Andre, Lucy Kevin, Brenda Novak, Catherine Bybee, Tricia O'Malley, Kathryn Andrews, RaeAnne Thayne, Sheila O'Flanagan, Cathy Kelly, Ruth Hogan, Jenny Colgan, Shari Low, Sophie Cousens, Portia MacIntosh. I like to keep my profession under wraps for a number of reasons. Some of what we do is top secret, most of what we do is dangerous, and more than one woman has tried to latch onto me because she was more enamored with what I do than who Cage Murdock really is. And since I'm more of a 'here for the night' than a 'here for forever' kind of guy, what's the harm in a little white lie about my job? My harmless deceit has never failed me. Until now. Because I met the most amazing woman and did the unthinkable. I married her. And now my beautiful,

unsuspecting, probably-going-to-leave-my-sorry-behind-when-she-finds-out-the-truth wife doesn't know that I'm not a used car salesman like I told her when we met. As it typically does with lies, the truth is about to come out in a big way when Jaime unwittingly gets herself mixed up with some unsavory characters and I, along with the team at Jameson, have to intervene. Now I need to save my girl and hope I can save my marriage too. Let's just say I have some serious explaining to do.

Good old, reliable Pru. Of the four Reynolds sisters, Pru is the natural choice to take on custody of the girl their late mother had planned to adopt. At thirty, suddenly becoming the

mom of a teenager means big changes, but Pru's ready to do whatever it takes to adopt Ari. Before she settles down, though, she wants one thing for herself. Enter Flynn Bohannon, the sinfully sexy Irish musician in town for her sister's wedding. He's led the kind of free, vagabond life Pru can hardly imagine. Definitely not the kind of guy she should be dating, but he's the perfect guy for a crazy fun fling before her life changes. When Pru proposes a brief, no strings affair, Flynn's not about to say no. But when unexpected complications endanger the adoption, the two find themselves in a phony engagement. Now they have to convince a sharp-eyed, skeptical social worker, a teen who's too smart for her own good, three dubious sisters, and one protective brother-in-law that Flynn's willing to give up the gypsy life and settle down. But in convincing everyone that this relationship is real, will they convince each other as well? The Beatles wrote 176 of the greatest songs ever to appear in popular music. This songbook includes every single one of them. Each piece is arranged for Piano and Voice, with full lyrics and chord symbols. These simplified arrangements are accompanied by original photographs and some of the strangest, full-colour illustrations to ever grace a book. The wonderfully surreal presentation, along with an absorbing article by Ray Connolly, makes this a commemorative collectible as much as a book of music. It should be read after *THE INITIATION* and *THE OBSESSION*. Award-winning author Lynne Hugo returns with a life-affirming, poignant novel in the spirit of *A Man Called Ove*—a story brimming with both wit and warmth about how a family gets on . . . and goes on. CarolSue and her sister, Louisa, are best friends, but haven't had much in common since CarolSue married Charlie, moved to Atlanta, and swapped shoes covered with Indiana farm dust for pedicures and afternoon bridge. Louisa, meanwhile, loves her farm and animals as deeply as she'd loved Harold, her late husband of forty years. Charlie's sudden death leaves CarolSue so adrift that she surrenders to Louisa's plan for her to move back home. But canning vegetables and feeding chickens are alien to CarolSue, and she resolves to return to Atlanta—until Louisa's son, Reverend Gary, arrives with an abandoned infant and a dubious story. He begs the women to look after the baby while he locates the mother—a young immigrant who fears deportation. Keeping his own secrets, Gary enlists the aid of the sheriff, Gus, in the search. But CarolSue's bond with the baby is undeniable, and she forms an unconventional secret plan of her own. How many mistakes can be redeemed? From a two-time winner of the Philip K. Dick award, and one of the founding fathers of cyberpunk comes a novel about a very modern nightmare: the most destructive computer virus ever has been traced to your machine. Computer programmer Jerzy Rugby spends his days blissfully hacking away in cyberspace — aiding the GoMotion Corporation in its noble quest to create intelligent robots. Then an electronic ant gets into the machinery ... then more ants then millions and millions of the nasty viral pests appear out of nowhere to wreak havoc throughout the Net. And suddenly Jerzy Rugby is Public Enemy Number One, wanted for sabotage, computer crime, and treason — a patsy who must now get to the bottom of the virtual insectile plague. The adventurous Countess Harleigh finds out just how far some will go to safeguard a secret in Dianne Freeman's latest witty and delightful historical mystery . . . Though American by birth, Frances Wynn, the now-widowed Countess of Harleigh, has adapted admirably to the quirks and traditions of the British aristocracy. On August twelfth, otherwise known as the Glorious Twelfth, most members of the upper class retire to their country estates for grouse-shooting season. Frances has little interest in hunting—for birds or a second husband—and is expecting to spend a quiet few months in London with her almost-engaged sister, Lily, until the throng returns. Instead, she's immersed in a shocking mystery when a friend, Mary Archer, is found murdered. Frances had hoped Mary might make a suitable bride for her cousin, Charles, but their courtship recently fizzled out. Unfortunately,

this puts Charles in the spotlight—along with dozens of others. It seems Mary had countless notes hidden in her home, detailing the private indiscretions of society’s elite. Frances can hardly believe that the genteel and genial Mary was a blackmailer, yet why else would she horde such juicy tidbits? Aided by her gallant friend and neighbor, George Hazelton, Frances begins assisting the police in this highly sensitive case, learning more about her peers than she ever wished to know. Too many suspects may be worse than none at all—but even more worrying is that the number of victims is increasing too. And unless Frances takes care, she’ll soon find herself among them . . . “Engrossing . . . Freeman takes a witty look at Victorian polite society. Get ready for *The Undoing*, soon to be the most talked about TV of 2020. From the creators of *Big Little Lies*, *The Undoing* premieres this autumn starring Nicole Kidman, Hugh Grant and Donald Sutherland. 'A great psychological thriller ... I couldn't put it down.' Daisy Goodwin 'Gripping . . . had me in its thrall from page one . . . Brilliant.' Metro A New York Times bestseller Grace Sachs, a happily married therapist with a young son, thinks she knows everything about women, men and marriage. She is about to publish a book called *You Should Have Known*, based on her pet theory: women don't value their intuition about men, leading to serious trouble later on. But how well does Grace know her own husband? She is about to find out, and in

the place of what she thought she knew, there will be a violent death, a missing husband, and a chain of terrible revelations. Left behind in the wake of a very public disaster, and horrified by the ways in which she has failed to heed her own advice, Grace must dismantle one life and create another for herself and her child. Published previously under the title *You Should Have Known She's* on the sheriff's most wanted list. Waking up with a naked woman holding a knife at his throat is just about the last thing Sheriff Travis Flynn expected. And the brother she's looking for? A murderer. And dead. Probably. But the real shock comes when she insists she's not a Lycan. LeAnn Wilcox isn't looking for love...especially not from some wolf in sheriff's clothing. She operates on the other side of the law. Once she finds her brother-alive-she'll get out of the pack's territory and go back to her regular, normal, non-furry life of changing jobs and her name whenever her past closes in. The cool, logical Sheriff has finally met his match, but LeAnn's life is at stake if she won't claim her place in the pack, especially once his control over the pack is challenged and her brother's fate is questioned.

A stunning and timely novel about a Mexican-American family in Brownsville, Texas, that reluctantly becomes involved in smuggling immigrants into the United States. From a distance, the towns along the U.S.-Mexican border have dangerous reputations--on one side, drug cartels; on the other, zealous border patrol agents--and Brownsville is no different. But to twelve-year-old Orly, it's simply where his godmother Nina lives--and where he is being forced to stay the summer after his mother's sudden death. For Nina, Brownsville is where she grew up, where she lost her first and only love, and where she stayed as her relatives moved away and her neighborhood deteriorated. It's the place where she has buried all her secrets--and now she has another: she's providing refuge for a young immigrant boy named Daniel, for whom traveling to America has meant trading one set of dangers for another. Separated from the violent human traffickers who brought him across the border and pursued by the authorities, Daniel must stay completely hidden. But Orly's arrival threatens to put them all at risk of exposure. Tackling the crisis of U.S. immigration policy from a deeply human angle, *Where We Come From* explores through an intimate lens the ways that family history shapes us, how secrets can burden us, and how finding compassion and understanding for others can ultimately set us free.
