A Hausa-English Dictionary Sep 27 2022 This up-to-date volume, the first Hausa-English dictionary published in a quarter of a century, is written with language learners and practical users in mind. With over 10,000 entries, it primarily covers Standard Nigerian Hausa but also includes numerous forms from Niger and other dialect areas of Nigeria. The dictionary includes new Hausa terminology for products, events, and activities of the modern world. Its definitions show the use of Hausa words in context, and particular attention is paid to idioms, figurative meanings, and special usages. As a guide to pronunciation, headwords and illustrative sentences are fully marked for tone and vowel length. The book adopts a unique approach to the

presentation of verb forms that clarifies lexical relationships and their correct usage.

An English-Hausa Dictionary Oct 28 2022 "Hausa students and Hausaphiles now have an English-Hausa dictionary that is readily available, attractively produced and quite attractively priced, and more comprehensive than any English-based dictionary for an African language...A magnificent accomplishment that promises to serve a wide variety of purposes. It establishes both precedent and an excellent model that one hopes will be followed for other less commonly taught languages." -William R. Leben, *Modern Language Journal* This is a modern comprehensive dictionary designed specifically for English-speaking users who wish to acquire communicative fluency in Hausa, West Africa's most important and most widely spoken language. The dictionary contains a broad selection of words that the average person is likely to need in speaking and writing Hausa for everyday use. Included are common technical terms drawn from a range of fields, as well as generally accepted borrowings from English and French. The entries are divided into meaning groups and grammatical categories, marked clearly by semantic and usage indicators to help the user distinguish between the various meanings. Numerous phrases, sentences, and common idiomatic expressions illustrate conversational usage and provide culturally informative contexts. The easy to read typography marks lexical and grammatical distinctions of tone and vowel length for every Hausa word in the dictionary. The introduction provides concise information on various points of Hausa grammar. Useful appendixes include pronoun paradigms, pronunciation guides to Hausa place names and personal names, an index of Nigerian and international organizations, and a description of the currencies of Nigeria and Niger. An English-Hausa Dictionary will be an invaluable guide for students, research scholars, translators, and people with educational business, or governmental ties in West Africa who are interested in learning the language and culture of one of that area's most dynamic societies. It will be equally useful to non-Hausa speaking Africans who want to learn Hausa. In general, the innovative design features of this book will set a new standard for pedagogically oriented reference works of African languages. "A valuable resource for scholars and students of linguistic and African languages and literature...It is highly recommended for use in academic and research libraries. Newman and her editorial staff deserve to be congratulated." -Felix Eme Unaeze, *American Reference Books Annual*

Fern Ecology Jul 25 2022 Ferns are an integral part of the world's flora, appreciated for their beauty as ornamentals, problematic as invaders and endangered by human interference. They often dominate forest understories but also colonize open areas, invade waterways and survive in nutrient-poor wastelands and eroded pastures. Presented here is the first comprehensive summary of fern ecology, with worldwide examples from Siberia to the islands of Hawaii. Topics include a brief history of the ecological study of ferns, a global survey of fern biogeography, fern population dynamics, the role of ferns in ecosystem nutrient cycles, their adaptations to xeric environments and future directions in fern ecology. Fully illustrated concepts and processes provide a framework for future research and utilization of ferns for graduate students and professionals in ecology, conservation and land management.

INSTRUCTIONS FOR USE Keep WITHIN REACH of children:)

English / Filipino / Cebuano Dictionary Nov 29 2022 Filipino (Tagalog) and English are the official languages of the Phillipines with the recognition of the regional languages as auxiliary official in their respective regions, including Aklanon, Bikol, Cebuano, Chavacano, Hiligaynon, Ibanag, Ilocano, Ivatan, Kapampangan, Kinaray-a, Maguindanao, Maranao, Pangasinan, Sambal, Surigaonon, Tagalog, Tausug, Waray, and Yakan. Spanish and Arabic are to be promoted on an optional and voluntary basis. Spanish was the national and official language of the country for more than three centuries under Spanish colonial rule, and became the lingua franca of the Philippines in the 19th and early 20th centuries. In 1863 a Spanish decree introduced universal education, creating free public schooling in Spanish. It was also the language of the Philippine Revolution, and the 1899 Malolos Constitution effectively proclaimed it as the official language of the First Philippine Republic. National hero Jos• Rizal wrote most of his works in Spanish. Luciano de la Rosa established that Spanish was spoken by a total of 60% of the population in the early 20th century as a first, second or third language. Following the American occupation of the Philippines and the imposition of English, the use of Spanish declined gradually, especially after the 1940s. Generally the pronunciation of Filipino words follow Spanish sounds and emphasis. You will find that many of the words in the Filipino language have Spanish origins and many are of English origin with phonetic and Filipino dialect spellings. Cebuano, (AKA Bisaya / Sinugbuanon / Binisaya nga Sugbuanon) belongs to the Philippine branch of Malayo-Polynesian languages and is spoken by about 20 million people in the Philippines. It is most often referred to by most of its speakers simply as Bisaya. It is spoken mainly in the Central Visayas by the Bisaya people, and is also spoken in northeastern parts of Negros Occidental province, in southern parts of Masbate, in most of Leyte and Southern Leyte, in western portions of Guimaras, in parts of Samar, Bohol, Luzon, the Biliran islands, and in most parts of Mindanao. It is used as a lingua franca in the Central Visayas and in parts of Mindanao. The language is named after the island of Cebu, where the prestige register is spoken, and is also known as Bisaya, Binisaya, Binisaya nga Sugbuanon or Sinugbuanon. Cebuano speakers are known as Cebuano in Cebu, as Bol-anon in Bohol, as Kana in Leyte, and as Binisaga or Bisaya in Mindanao and Luzon. This dictionary contains 15,000 words in English, Filipino and Cebuano. Also included are guides for pronouncing each language. We also publish an English / Cebuano Dictionary and an English / Filipino Dictionary and other resources for learning each language. See our website for availability: www.wordsrus.info

Hausa Dictionary for Everyday Use Jan 19 2022

Modern Hausa Dictionary Aug 26 2022 "Learn Hausa the modern way with Hausa kasahorow! Start exploring the modern world with Hausa! The Modern Hausa Dictionary is a Hausa explorer's dictionary for English language speakers. Read Modern Hausa confidently. Dictionary of Computer and Internet Terms in English and Hausa Aug 14 2021 This dictionary contains approximately 8,500 Computer and Internet terms in English and Hausa. You will find that many of the terms are the same in both languages (cognates) as many of the more recent terms have been assimilated into Hausa from English. This dictionary is derived from our Words R Us system, a derivative of WordNet. English Wordnet, originally created by Princeton University is a lexical database for the English language. It groups words in English into sets of synonyms called synsets, provides brief definitions and usage examples, and records a series of relationships between these sets of synonyms. WordNet can be viewed as both a combination of dictionary and thesaurus. Some of the terms incorporated in this dictionary are excerpted from the Microsoft Glossary of Computer Terms in Hausa. This dictionary will be indispensable for any international company doing business in North Central Africa where Hausa is a major language of business and trade. We also publish a companion volume with definitions of the terms in English. Check our website for availability.

The Dictionary of Modern Proverbs Oct 24 2019 Collects more than 1,400 English-language proverbs that arose in the 20th and 21st centuries, organized alphabetically by key words and including information on date of origin, history and meaning.

A German Word Family Dictionary Oct 04 2020 This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1978.

Modern Hausa-English Dictionary May 31 2020 Originally published to meet the need for a practical dictionary both for native Hausa speakers and for those wishing to learn or improve their knowledge of the language, the dictionary has remained in demand since publication. Compiled by the Centre for the Study of Nigerian Languages in Kano as a concise, compact and readily usable tool, the selection of words has been limited to those likely to occur in everyday conversation, books, newspapers and other mass media. It includes a large number of modern words adopted into Hausa. Main entries give spelling and punctuation, variant spellings and cross-references, and special notations for verbs. Grammatical categories, or parts of speech, give verbs and verbal nouns, nouns, pronouns, adjectives, prepositions and ideophones. Guidance is also given on definitions and usage.

English / Hausa Dictionary May 11 2021 Hausa is one of Africa's single most spoken languages. It is Hausa's general ease of use that has contributed to its becoming so widely used. A member of the Chadic branch of the Afro-Asiatic languages Hausa is spoken as a first language by about 34 million people, and as a second language by about 15 million more. Native speakers of Hausa are mostly to be found in the north of Nigeria and in Niger (where it is an official language), but the language is widely used as a lingua franca in a larger geographic band across sahelian Africa north of the Congo basin, and west of central Sudan. As a lingua-franca, Hausa is especially prevalent in Ghana, used by Hausa traders in zango (Hausa urban districts) in major cities. It is also used by Fulani herdsmen, Dagomba/Gurunsi farmers as a second language, by the official Islamic clergy of the country, and as an inter-ethnic group lingua-franca north and east of all Akan dominated areas. In total, Hausa speakers in Ghana number between 4-7 million of all Hausa-speakers, making it a very handy language to know in the marketplace. Hausa is also used extensively in Cameroon alongside Fulani in the far north and as far south as Gabon. In Central/Northeast Africa, Hausa is used in Chad and Sudan among the Hausa-Fulani communities, and smaller Muslim tribal groups, in and around Khartoum and Kordofan (in addition to Arabic). Two famous Sudanese singers, Fadimatu and Sabrin, occasionally sing in Hausa on the popular Sudanese national television program Nogoum, noting the increasing recognition of the Hausa language in otherwise Arabic-dominated Sudanese society. Hausa is a tonal language which employs two distinct tones, high and low, but doesn't sound as

distinctly tonal as other African languages. There are also many special implosive and explosive consonants used in Hausa that may have to be learned by ear, but are completely comprehensible without mastering. Hausa employs a 5 vowel system like Spanish (a, e, i, o, u), and grammar is quite easy to learn. This dictionary contains 10,200 terms in English and Hausa. A guide to English and Hausa pronunciation is also included. It is derived from our Words R Us system.

Suitable for everyone 12 years old and older.

Dictionary of the Hausa Language Sep 03 2020 Hausa is an African language originating in Niger and northern Nigeria and spoken widely in West and Central Africa as a lingua franca. Charles Henry Robinson (1861-1925) was the first student of the short-lived Hausa Association, formed in 1891 to promote the study of the Hausa Language and people. The Association sponsored Robinson to stay in northern Nigeria from 1894 to 1895 to gain more experience in the language. On his return Robinson published an anthology of Hausa texts in 1896 and a Hausa grammar in 1897 as well as this two-volume dictionary in 1899. His efforts contributed greatly to Western knowledge of the language despite criticisms of his relatively short experience of Hausa-speaking communities. Volume 2 is an English-Hausa dictionary, intended for those who wished to speak colloquial Hausa. The version reissued here is the 1925 fourth edition.

Bole-English-Hausa Dictionary and English-Bole Wordlist Jun 24 2022 This is a dictionary of Bole, a little documented language of the Chadic family, spoken in northeastern Nigeria. This is one of the most comprehensive dictionaries of any Chadic language other than Hausa. All entries for Bole are fully marked for tone and vowel length.
