Business Law - 17th Edition Dec 23 2019 In the modern business world, no skill is more important than the ability to operate a business legally and ethically. Failure to meet the legal and ethical expectations of society and government can be disastrous for both firms and individuals in America's market-based economic system. The purpose of this text, which has been continually updated since its initial publication more than thirty years ago, is to enable students to navigate the modern business world in which illegal or unethical actions have "bet the company" consequences. The book covers all major business law subject matter areas, including contract law, intellectual property law, employment law, tort law, securities law, and products liability law. Moreover, new chapters on business ethics will assist students in making the right decisions in a complex world.

Introduction to Business Law in Singapore Oct 01 2020

Singapore Business Law Dec 27 2022

Property and Trust Law in Singapore Jan 04 2021 Derived from the renowned multi-volume International Encyclopaedia of Laws, this practical analysis of the law of property in Singapore deals with the issues related to rights and interests in all kinds of property and assets - immovable, movable, and personal property; how property rights are acquired; fiduciary mechanisms; and security considerations. Lawyers who handle transnational disputes and other matters concerning property will appreciate the explanation of specific terminology, application, and procedure. An introduction outlining the essential legal, cultural, and historical

considerations affecting property is followed by a discussion of the various types of property. Further analysis describes how and to what extent legal subjects can have or obtain rights and interests in each type. The coverage includes tangible and intangible property, varying degrees of interest, and the various ways in which property is transferred, including the ramifications of appropriation, expropriation, and insolvency. Facts are presented in such a way that readers who are unfamiliar with specific terms and concepts in varying contexts will fully grasp their meaning and significance. The book includes ample references to doctrine and cases, as well as to relevant international treaties and conventions. Its succinct yet scholarly nature, as well as the practical quality of the information it provides, make this book a valuable time-saving tool for any practitioner faced with a property-related matter. Lawyers representing parties with interests in Singapore will welcome this very useful guide, and academics and researchers will appreciate its value in the study of comparative property law.

Mercantile Law, 8th Edition Feb 17 2022 Mercantile Law explains the fundamental principles of the basic laws governing the modern business world. It presents a comprehensive, systematic and coherent study of the laws relating to Contracts, Sale of Goods, Partnership, Negotiable Instruments, Information Technology, Consumer Protection, Insurance, Insolvency, and Arbitration and Conciliation. It discusses the statutory provisions and the intricacies of law and explains the logic behind them. A large number of decided cases and illustrations given in the text explain the practical implications of the law. Practical problems with hints and solutions have been given at the end of each chapter for the student's self-assessment. The book remains the leading text for students preparing for BCom, MCom, CA, ICMA, MBA, Company Secretaries, IAS, banking and judicial services examinations. It also serves as a handy and compact volume for those engaged in business, young managers and all others interested in the study of business law.

International Law and Business Jan 24 2020 This book introduces law in the context of international business. The basics of law are explored using a clear comparative methodology. International and regional economic institutions are discussed, next to the fundamentals of private law. These include contract law, liability law, labour law, company law, privacy law, intellectual property law and international private law. The book goes beyond the usual focus on Western legal systems and uses examples from all over the world to provide students with comprehensive knowledge of business law. It is set up rather broadly, so that it can be used by teachers throughout their entire curriculum. Each chapter ends with a clear

summary, and practice questions. Due to its colourful cases, this book is accessible and fun to read.

Contract Law in Singapore Mar 18 2022 Derived from the renowned multi-volume International Encyclopaedia of Laws, this practical analysis of the law of contracts in Singapore covers every aspect of the subject – definition and classification of contracts, contractual liability, relation to the law of property, good faith, burden of proof, defects, penalty clauses, arbitration clauses, remedies in case of non-performance, damages, power of attorney, and much more. Lawyers who handle transnational contracts will appreciate the explanation of fundamental differences in terminology, application, and procedure from one legal system to another, as well as the international aspects of contract law. Throughout the book, the treatment emphasizes drafting considerations. An introduction in which contracts are defined and contrasted to torts, quasi-contracts, and property is followed by a discussion of the concepts of ‘consideration’ or ‘cause’ and other underlying principles of the formation of contract. Subsequent chapters cover the doctrines of ‘relative effect’, termination of contract, and remedies for non-performance. The second part of the book, recognizing the need to categorize an agreement as a specific contract in order to determine the rules which apply to it, describes the nature of agency, sale, lease, building contracts, and other types of contract. Facts are presented in such a way that readers who are unfamiliar with specific terms and concepts in varying contexts will fully grasp their meaning and significance. Its succinct yet scholarly nature, as well as the practical quality of the information it provides, make this book a valuable time-saving tool for business and legal professionals alike. Lawyers representing parties with interests in Singapore will welcome this very useful guide, and

academics and researchers will appreciate its value in the study of comparative contract law.

Business Law Dec 15 2021 Business Law offers comprehensive coverage of the key aspects of business law in a straightforward manner that is easy to understand for non-law students. It describes and considers the full range of legal topics such as Contract, Company and Employment Law, as well as including coverage of emerging areas such as Health and Safety and Environmental Law as they apply to business.

Laytime and Demurrage Jul 10 2021 Laytime and Demurrage is the leading authority for all queries pertaining to this vital aspect of maritime law. It has continued to offer reliable, authoritative, and in-depth analysis since the first edition published in 1986. Praised for its unrivalled coverage and lucid writing style, this book provides a comprehensive overview of all aspects of laytime and demurrage, tracing the development of the law from its origins in the nineteenth century right up to the present day. The author delivers an in-depth analysis of both fixed and customary laytime clauses, the rules relating to commencement of laytime in berth, dock and port charters, and discusses under which circumstances laytime can be suspended. Furthermore, it analyses demurrage rules and vital issues such as despatch, detention and frustration. This seventh edition includes all key judicial and arbitral decisions reported since the sixth edition published in 2011. It also covers suffixes in connection with laytime measured in terms of Working days and Weather Working Days, and disputes arising from tender of NORs at the end of the sea passage. Laytime and Demurrage is an invaluable guide for both legal practitioners and maritime professionals worldwide, including commodity traders and brokers, shipping companies, P&I Clubs, shipowners, charterers, and

arbitrators.

International Business Law and Its Environment Jul 22 2022
INTERNATIONAL BUSINESS LAW AND ITS ENVIRONMENT, 8e, International Edition centers on the basic market-entry strategies most firms deploy as they expand into international markets: trade in goods and services, protecting and licensing intellectual property, and foreign direct investment. Interweaving the law with ethics-related issues, the text shows how individual firms manage these strategies in different ways while discussing the latest political, economic, and legal developments around the world. Helpful features such as case examples, end-of-chapter questions, and ethics activities help solidify your understanding of the material.

Money, Banking, and Financial Markets Jun 28 2020 Focussing on money and banking, this text provides an integrated coverage of topics that are important to these fields in the 21st century.

Keenan and Riches' Business Law Aug 19 2019 This text is specifically designed for non-law students studying the law relating to business. Maintaining the accessible approach which has made this book so popular, the authors provide user-friendly explanations to equip students with a good understanding of key legal concepts.

*Commonwealth Caribbean Business Law Aug 11 2021
Commonwealth Caribbean Business Law breaks away from the traditional English approach of treating business law primarily as the law of contract and agency. The book takes a panoramic view of the foundation of various legal systems with a subsequent examination of different areas of legal liability that may affect business activities. These areas include contract law, agency, tort law, criminal law, and internet law as significant challenges confronting the business sector. The book primarily targets the development of business law in several Caribbean Commonwealth jurisdictions but also, where appropriate, embraces the jurisprudence of other Commonwealth nations such as the United Kingdom, Canada and Australia. With respect to internet law, the proliferation of judicial pronouncements emerging from the United States provided the platform for the only non-Commonwealth treatment of a topic. The approach of the book is to use excerpts from judgments so as to allow students, particularly the non-legal student, to understand legal principles as espoused by the judiciary without the filtering bias of authors.*
