Adams explores the Bible's method for dealing with problems and difficulties. Showing first that your problems are not unique, he offers genuine hope based on God's promise in 1 Corinthians 10:13. Readers will gain the courage needed to take responsible action, knowing that a real solution can be found in God's way. Strong takes great pain and careful thought to demonstrate that Jesus Christ is God's Shepherd from Zechariah 13:7, "Awake, O sword, against my shepherd, and against the man that is my fellow, saith the Lord of Hosts." Three main properties are explored showing Christ as a Shepherd. He is, 1) The Shepherd of souls, 2) The Great

Shepherd and 3) The Good Shepherd. Strong shows how Christ is appointed by God to this position, and how Christ rules and feeds God's flock in the position knowing He must give an account of them. In this office Christ as a Shepherd lies in six things: 1) He seeks the flock, 2) He feeds them, 3) He takes care of them, 4) He heals them, 5) He defends them, and 6) He guides them. Then Strong demonstrates that Christ is God's fellow, or man. He is shown to be God's fellow Laborer, and due to Him is honor, glory and worship. Strong does this in order to bear up the saint's spirits to believe in Christ and ground their faith on Christ alone. This is an insightful and powerful treatise to encourage Christians to trust in Christ, their one true Shepherd. This is not a scan or facsimile, has been updated in modern English for easy reading and has an active table of contents for electronic versions. God calls believers to not only be born again but to live a holy life. Those who stay true to God to the end will be saved. God desires that His people stay true to Him and inherit eternal life. In spite of the great danger of falling away, God's Word, Spirit and power provides believers with what is necessary to stay true to God. "Established in Holiness" focuses on the biblical theme of God's call for Christians to be established in their faith and God's call for Christians to not only win others to Christ but to teach them to be disciples who know and obey all that Christ teaches as revealed in the Bible. Learn or reaffirm: How God changes us when He gives us spiritual life and power. The danger of falling away. How God keeps and establishes Christians The Role of God as our keeper. God's provisions for us to stay true to Him to the end. Consider sharing what you learn from "Established in Holiness" to help other new Christians and all Christians become stronger in their faith and walk with God. It pleases the Father, Son and Spirit that the Son, Jesus Christ, be the centre of our worship, have the name above all names, and be

first above all things. Everyone has a relationship with him – whether bearing his image but being estranged from him or knowing Christ as Lord and Saviour. In this book, John Stott draws our attention to how the New Testament speaks of Jesus Christ. He examines the prepositions used to help us understand more deeply, our position in relation to the Son of God. We are to live in Christ, through Christ, on Christ, with Christ, under Christ, for Christ, and like Christ – and this book will help you become truly Christ-centred. In this book, Dale Allison addresses ongoing historical-theological questions concerning Jesus Christ. What should one think of the modern quest for the historical Jesus when there is such enduring discord among the experts, and when personal agendas play such a large role in the reconstructions? How much history is in the Gospels, and how much history does Christian theology require that there be? How does the quest impinge on conventional Christian beliefs, and what might it contribute to contemporary theological reflection? --From publisher's description. The heartbreaking events of Good Friday did not signal the end of Jesus Christ's ministry to His disciples—far from it. His resurrection on Easter morning was the beginning of a unique and significant time in His ministry on earth. For the next forty days, until His glorious ascension to heaven, Jesus appeared many times to His followers. During this remarkable period, He taught them about the kingdom of God and explained the requirements of discipleship, His own divine nature, and the power they would soon receive to expand the kingdom of God “into all the world” (Mark 16:15). Today, we can experience that same power to accomplish God's work. Those forty days were a link between heaven and earth that is a pattern for us. As we walk with the resurrected Christ, we discover how to reproduce His life in our own experience, and we gain a new sense of His glorious reality and continual presence with us day by day. Just before His ascension, Jesus promised to be with us “all the days,” even to the end of the age. Relive those forty days with Christ, following the risen Lord to a higher place of spiritual life and victory. St. Therese invites us to sit or to kneel and to put ourselves in the presence of God. God is always with us but we need to become mindful

of His loving presence within us. From that act of faith, we can begin our Lenten meditation. Ask St. Therese to accompany you and to help you to draw closer to the living God Who is Christ Jesus, the Lord.... from *A Lenten Journey with Jesus Christ and St. Therese of Lisieux* Inside you will find a short biography of St. Therese of Lisieux, an Overview of the Carmelite Order, St. Therese on Prayer, and more, along with readings and prayers for every day of Lent, week days and Sundays. May the presence of Jesus Christ and the inspiration of St. Therese of Lisieux enrich your Lenten Journey, and lead you to God's Holy Easter of Peace, Love, and Joy. Psalm 11:3 reads, “If the foundation be destroyed, what can the righteous do?” Behind every social and spiritual problem stands the greater problem of the foundation. The foundation of our life is the source of our spiritual strength and stability. We cannot withstand or overcome the demonic forces of this world without building a strong spiritual foundation. Satan's goal is to tamper with our spiritual foundation, which is the source or center of our belief, faith, stability, and trust in God. In *Revisiting the Foundations*, author Kazumba Charles shows you how to build your foundation with the only one who can defeat Satan—Jesus Christ! The author takes you through questions to assess your present situation. Is your spiritual foundation strong enough to withstand the pressures of life? Are you ready to become spiritually healthy, desire to change the current condition of your life, and become steadfast in your faith and trust in God? You will discover how you can build your life on the undefeatable, unshakable, and indestructible foundation of Jesus Christ. With faith based on such a foundation, nothing is impossible. Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a “soul-stirring celebration of the pleasures of knowing God.” Look to Christ, the ultimate revelation of God. The letter to the Hebrews asks questions aimed at the heart of what it looks like for Christians to walk in Christ's footsteps. How should Christians relate to the Old Testament? What are we to make of the New Testament's urgent pleas to persevere in the faith? Can we really lose our

salvation? How does Jesus model both humility in his humanity and the glory of God through his earthly life? These questions continue to be fiercely debated by Christians. The ancient letter to the Hebrews answers all by focusing on Christ's magnificent love and greatness. In *Christ Above All*, Adrio König puts readers in the shoes of the original audience of Hebrews and shows how, in a world full of competing claims to power and authority, Christ--in all his glory and humanity--really does surpass all others. In the Transformative Word series, you'll read the Bible with a global cast of church leaders and scholars. In conversational tone, contributors from around the world explain the importance of a biblical book, showing how it can transform your life. God loved man, and this world, so much that he sent his only begotten Son, Jesus Christ, to die on the cross for you and me. When you accept Jesus Christ as your personal savior, you will feel the discontentment leave and true peace settle within your heart. An in-depth look at the person of Jesus Christ and his role as High Priest, Mediator, and Savior with scripture based facts. Caregiving is part of the minibook *Hope for the Heart* series that has sold over one million copies. Caregivers want to do their best, but the challenges of helping someone day after day can be draining. Where do you find strength and energy to care for others--no matter what circumstances? This quick guide to caregiving covers the issues that caregivers face, defines the roadblocks and their causes, and shows steps to solution with biblical hope and practical advice. In spite of women tele-evangelists now on satellite TV, the average woman in the average Christian Church is still unsure of her identity in Christ. She hears statements like, "God will use a woman in leadership if there is no man to do the job" and feels like a second class citizen. Is God's preference in leadership really based on sexual gender? Is a woman really inferior in God's eyes? Is she really forbidden to teach and preach before men just because she is a woman? *What Christ Did For Women (This Includes You, Gentlemen)* takes a provocative,

but soundly scriptural look at the extent of Christ's deliverance of women. This book examines the full personhood of woman that Christ and His Apostles fought for, but which is still largely unseen even in the Church that claims His leadership. Equip your youth group with solid reasons for their faith. How well do the kids in your group know why they believe what they believe? Don't leave them groping for answers---equip them now with a strong apologetic for the real-life questions and challenges they'll face as Christians. In *The Case for Christ* and *The Case for Faith* student editions, Lee Strobel unfolds the compelling evidence that turned him from an atheist to a Christian. This leader's guide gives you everything you need to take your youth group or Sunday school class through both books. Five riveting sessions per book (ten sessions total) will furnish your kids with persuasive reasons for their faith in Christ. Here's what you and your group can expect: Session 1 dramatically illustrates for your group the importance of knowing the facts about Christianity. Sessions 2, 3 and 4 consider the important objections people raise to Christianity, and respond with an in-depth look at the evidence for belief in Jesus and the Christian faith. Session 5 takes your group from learning to application as they draw on what they've learned in an actual evangelistic scenario. You'll also find a skit suitable for publicizing *The Case for Christ* sessions in church to both kids and parents. Get excited! These powerful studies will boost the faith of your kids, and their confidence to share it, to a whole new level. *Putting on Christ* is a roadmap of our heroic journey to Spiritual Rebirth, also referenced in the holy writ as "the gate" that leads to eternal life. This gate is the First Comforter which is received and initiated through a "baptism of fire" and manifestation of the Lord's Spirit. The Savior said, "Strive to enter in at the strait gate: for many, I say unto you, will seek to enter in, and shall not be able" (Luke 13:24). For the true seeker and truth seeker, *Putting On Christ* may prove a valuable guide for the journey along this straight and narrow path which leads to obtaining the knowledge of God on the level as if we had seen Him. When we receive this knowledge, we will have been healed and cleansed by Christ

Himself of our sins, vices, and spiritual wounds . This knowledge then opens the door to "obtain all other things pertaining to life and godliness" (Lectures On Faith 7:18). Putting On Christ includes the stories of nine people who were born of the Spirit or born of God in our latter day-six of whom are personally known to me. These nine have obtained the same knowledge-even the perfect knowledge as to God's reality. This experiential knowledge obtained is on par with many who have entered God's Presence through a near-death experience. In either scenario, one can never be the same thereafter. Each will have received "a mighty change" or conversion of the heart towards God. This same knowledge is available to all who have come under heavenly contract with God through the ordinances by proper authority. The Lectures on Faith teach that "whatsoever constitutes the salvation of one will constitute the salvation of every creature which will be saved" (Lectures on Faith, 7:9). Jesus said to Nicodemus: "Except a man be born of water and of the Spirit, he cannot enter into the kingdom of God" (John 3:5). Being born of the Spirit is much more than receiving the Father's promise through "confirmation" after being baptized by water. There is a broken-hearted covenant and cry of the soul we must each make in the depths of repentance, performed in complete surrender, having a committed willingness to do His will in all things thereafter. Once these and other conditions are met, the fulfillment of the Father's promise can then be made experientially "real" for us in our lives-unto the praise and glory of God. This is when we transition from the knowledge about God to the actual, perfect knowledge of God. Indeed, this is salvation. The path is real and He is coming. Waste no time. -Steven Anthony Bishop This book anchors its account of the beauty of Jesus Christ to a scheme found in St Augustine of Hippo's Expositions of the Psalms. There Augustine recognized the beauty of Christ at every stage-from his pre-existence ('beautiful in heaven'), through his incarnation, the public ministry ('beautiful in his miracles, beautiful in calling to life'), passion, crucifixion, burial, resurrection ('beautiful in taking up his life again'), and glorious life 'in heaven'. Augustine never filled out this laconic summary by writing

a work on Christ and his beauty. The Beauty of Jesus Christ seems to be the first attempt in Christian history to write a comprehensive account of the beauty of Christ in the light of Augustine's list. The work begins by offering a working description of what it understands by beauty as being perfect, harmonious, and radiant. Beauty, above all the divine beauty, enjoys inexhaustible meaning and overlaps with 'the holy' or the awesome and fascinating mystery of God. Loving beauty opens the way to truth and helps us grasp and practise virtue. The books needs to add some items to Augustine's list by recognizing Christ's beauty in his baptism, transfiguration, and post-resurrection sending of the Holy Spirit. It also goes beyond Augustine by showing how the imagery and language Jesus prepared in his hidden life and then used in his ministry witness to the beautiful sensibility that developed during his years at home in Nazareth. Throughout, this book draws on the Scriptures to illustrate and justify Augustine's brief claims about the beauty revealed in the whole story of Christ, from his pre-existence to his risen 'post-existence'. Where appropriate, it also cites the witness to Christ's beauty that has come from artists, composers of sacred music, the creators of icons, and writers. Examines the meaning behind the books of the Old Testament and the connection between understanding this half of the Bible and to understanding the messages found in the New Testament. An accomplished theologian recovers the biblical theme of union with Christ, showing how it affects current theological and ministry issues. In his first published work, T. S. Reed reflects and ponders the wonders of God and Christs completed work at the cross of Calvary. While touching on his own personal struggles with sin and the evils of this world, he ultimately points to Jesus Christ and the remission of sin and death in this world. Through the use of vivid imagery and poetry, it is his prayer that the words in this book will inspire others and lead people to the ultimate truth: Jesus Christ is the savior of the world! This collection casts light on various aspects of the life and thought of Nicholas of Cusa. The first part is concerned with the context in which he made his contributions. The second part is concerned with Nicholas' work for ecclesiastical reform and his

thought on the Church. The third part deals with Cusanus' ideas on Christ and mystical experience, as well as the larger significance of his speculative works. Countless cultural conversations are happening all around you. Are you aware of them? More importantly, are you actively engaged and contributing to them? Now, more than ever, Christians need to listen to these conversations and let their voices be heard. When we do, a collision between Christ and culture is inevitable. The only question is...are you ready for the collision? With 15 articles and 5 pop-culture reviews, *The Collision Vol. 1* demonstrates how Christians can navigate today's increasingly digital and media-driven culture, engage with the crucial conversations happening all around us, and collide head-on with the world for Christ. *Defense of the Bible* begins with rational proofs for the historicity and accuracy of its documents. *Christ and the Bible* places the argument for the authority of scripture squarely on Jesus. With uncluttered logic and straightforward prose Wenham marshals Gospel evidence to show Jesus' own view of Scripture—that it is (1) historically accurate, (2) authoritative, (3) the standard for ethics, and (4) the verbally inspired revelation of God. He then considers why we should listen to Jesus when he makes such claims and why "Christ's view should be the Christian view." The study substantiates Jesus' reliability influence on all New Testament writers. Finally, Wenham considers two related problems: first, which writings really belong in the Bible; second, the reliability of the text as now available. The presentation is easy to read and understand. This third edition updates and dialogs with recent developments. Called to live in the world, but not to be of it, Christians must maintain a balancing act that becomes more precarious the further our culture departs from its Judeo-Christian roots. How should members of the church interact with such a culture, especially as deeply enmeshed as most of us have become? In this award-winning book -- now in paperback and with a new preface -- D. A. Carson applies his masterful touch to that problem. After exploring the classic typology of H. Richard Niebuhr with its five Christ-culture options, Carson offers an even more comprehensive paradigm for informing the Christian worldview.

More than just theoretical, *Christ and Culture Revisited* is a practical guide for helping Christians untangle current messy debates about living in the world. *The Tradition of the Gospel* Christians explores the post-Soviet tradition of evangelical Christians originating from the ministry of the Victorian revivalist preacher Lord Radstock in St. Petersburg in the 1870s. In an effort to resolve the current evangelical crises of theology and identity, this study provides an analysis of the tradition's history reflecting on its restorationist tradition, the contours and vectors of its theology, and its practice of biblical interpretation. The historical analysis reveals that the major causes of the crises of identity and theology pertain to the socio-political upheavals, which, in turn, led the tradition to develop strategies to maintain relevance in its changed contexts. The socio-political shifts were also responsible for the lack of emphasis on research and scholarship, which contributed to a difficulty in finding the necessary resources and intellectual virtues to deal with the collapse of the Soviet Union. Building on the discoveries of the historical analysis, Andrey P. Puzynin offers a new historical and theological paradigm by reconstructing the self-identifying narrative and theological framework in critical dialogue with recent developments in Anglo-American evangelicalism and postliberalism. Following the trajectory of the evangelical tradition in the post-Soviet context, a trajectory which relies on Western thought, the book adopts the narrative theological method of reading the world through the lens of Scripture. The self-identifying narrative of the community is reconstructed through a theological reading of the previous identity-constructions, in the light of recent discussions on Christ and the powers. The result of this study helpfully explains the dynamics of Eastern evangelicalism in a traditionally Russian Orthodox setting. The incarnation has made mystics of us all. What if we read the gospels as if that were true? In his book *Contemplating Christ*, Vincent Pizzuto offers an exploration of the interior life for modern contemplatives that is as beautiful as it is compelling. With an emphasis on the gospels and Christian mystical tradition, his book explores ancient themes in new and surprising ways. Drawing on his rich experience as an academic and priest, Pizzuto

gradually unfolds the Christian mystery of deification to which the whole of biblical revelation and the Christian contemplative life are ordered: through the incarnation, we have all been made "other Christs" in the world. Event Horizon Publishing llc, brings you a discovery that occurred in 1945 at the end of World War II, of which most of us have never heard. Imagine our belief-system being turned upside down. Many believe we've been told a true version of history the last 2000 years. Have we really? The Gospel According to Thomas (also known as the Thomas Gospel and the Gospel of Thomas), the first new biblical book in 20 centuries, was found in desert sand, in 1945. It was so shocking and amazing Hollywood made several films based on it. Yet 95% of us still do not know of it. The Gospel According to Thomas, from Christ's brother, was found in the desert in the proverbial Earthenware Jar - and it revealed 46 Christian scrolls from 2000 years earlier, that the Roman editors left out of their version of the Bible, 400 years later, in 381 AD. This brought up scandalous questions of political intrigue. Aspersions were cast upon this scroll almost instantly by church officials, even before studying it (not very scholarly). When first reading this gospel from Christ's brother, Thomas (in carbon-dated scrolls like the earliest New Testament), it's amazing how similar the quotes are to Christ's quotes in the Bible, in subtle mysterious beautiful ways. Many quotes are essentially identical; and some exquisitely, slightly different, bring new meaning - all are fascinating. They're so similar to scripture, some experts say Thomas may be the long lost "Q" or the Source document from which Matthew, Mark and Luke arose. It's believed the scroll was much larger back then. (The Bedouin who found it said several scrolls were burned for kindling.) It is even said Jesus may have helped create it. In reading it, it sounds like what Christ might teach around a campfire. There's a brevity to its 114 verses. With great care and love, it comes out to you now. Its translation took nine years to complete. It truly engages our modern hearts. This gospel now enjoys current clarity for us, and spiritual continuity for our world. Its message is relevant to people of our day with our frame of reference. Enjoy its present-moment Form, its spiritual Context, along with

its beautifully mystical Contents. You can read the original form of Thomas' Scroll right here as well. Enjoy now Christ's deepest and his most private teaching to his disciples. Prepare to be astounded. Jesus Our Redeemer examines what it means when Christians call Jesus their 'Redeemer' or 'Saviour'. It tackles such questions as: How can redemptive events in the past (Christ's life, death, and resurrection) bring about saving effects in the present? Why do human beings need redemption, both individually and collectively? What images of God are implied by the saving action of God and by human needs? Gerald O'Collins SJ draws on the scriptures, Christian hymns and texts for worship, literature, the visual arts, and other sources. He examines four major models of how redemption through Christ has been thought to work: theories of deliverance, penal substitution, sacrifice, and transforming love. He concludes by considering the outworking of salvation in the life of the Church, the situation of non-Christians, and the final consummation of human life and the created world at the end of time. As Christians engage controversial cultural issues, we must remember that "all things hold together in Christ" (Col. 1:17)--even when it comes to science and faith. In this anthology, top Christian thinkers--including Robert Barron, Timothy George, Stanley Hauerwas, Alasdair MacIntyre, Mark Noll, and N. T. Wright--invite us to find resources for faithful, creative thinking in the riches of the church's theological heritage and its worship traditions. How does one deal with despair? Are joy and despair irreconcilable? How does the joy and despair of Jesus Christ relate to our joy and despair? Continuing to explore the implications of the vicarious humanity of Christ as he did in *The God Who Believes*, Christian Kettler investigates the christological implications of the all too human phenomenon of despair. All people experience the pain of personal loss and lack, of the meaninglessness of existence. We also desire and covet joy, as difficult as it is often to define or maintain. Jesus was both "the man of sorrows" and one who "for the joy set before him endured the cross" (Heb 12:2). Can we think of the despair of Christ and the joy of Christ as both being vicarious, in our place and on our behalf, and thus have a theological way to

possess joy in the midst of despair as well as to have a more robust theology of the atonement? Drawing on wide-ranging resources from Augustine, Calvin, Karl Barth, and T. F. Torrance to Bob Dylan, the fantasy writer Ray Bradbury, and Ed Wood, the director of Plan Nine from Outer Space, Kettler seeks to bring Trinitarian and incarnational theology deep into our flesh, filled with real despair and joy, and find that Jesus is there, with his own despair, there to lift us up with his own joy. John Piper offers 6 biblical answers to the question, What is God doing through the coronavirus? He points readers to the solid Rock, who is Jesus Christ, and the sovereign God who ordains, governs, and reigns over all things. Christians are the world's most widely persecuted religious group, according to studies by the Pew Research Center, Newsweek, and the Economist, among others. A woman is caught with a Bible and publicly shot to death. An elderly priest is abducted and never seen again. Three buses full of students and teachers are struck by roadside bombs. These are not casualties of a war. These are Christian believers being persecuted for their faith in the twenty-first century. Many Americans do not understand that Christians today are victims in many parts of the world. Even many Western Christians, who worship and pray without fear of violent repercussions, are unaware that so many followers of Christ live under governments and among people who are often openly hostile to their faith. They think martyrdom became a rarity long ago. Persecuted soundly refutes these assumptions. This book offers a glimpse at the modern-day life of Christians worldwide, recounting the ongoing attacks that rarely make international headlines. As Western Christians pray for the future of Christ's church, it is vital that they understand a large part of the world's Christian believers live in danger. Persecuted gives documented accounts of the persecution of Christians in Africa, Asia, the Middle East, and former Soviet nations. It contains vivid stories of men and women who suffer abuse because of their faith in Jesus Christ, and tells of their perseverance and courage.. Persecuted is far more than a thorough and moving study of this global pattern of violence—it is a cry for freedom and a call to action. Describes the epic of salvation in the

manner of a diptych, whose leaves -- the Old and New Testaments -- ought not to be read separately.
