[The Other Wes Moore](#) May 10 2021 NEW YORK TIMES BESTSELLER •

The “compassionate” (People), “startling” (Baltimore Sun), “moving” (Chicago Tribune) true story of two kids with the same name from the city: One went on to be a Rhodes Scholar, decorated combat veteran, White House Fellow, and business leader. The other is serving a life sentence in prison. In development as a feature film executive produced by Stephen Curry, who selected the book as his “Underrated” Book Club Pick with Literati The chilling truth is that his story could have been mine. The tragedy is that my story could have been his. In December 2000, the Baltimore Sun ran a small piece about Wes Moore, a local student who had just received a Rhodes Scholarship. The same paper also ran a series of articles about four young men who had allegedly killed a police officer in a spectacularly botched armed robbery. The police were still hunting for two of the suspects who had gone on the lam, a pair of brothers. One was named Wes Moore. Wes just couldn’t shake off the unsettling coincidence, or the inkling that the two shared much more than space in the same newspaper. After following the story of the robbery, the manhunt, and the trial to its conclusion, he wrote a letter to the other Wes, now a convicted murderer serving a life sentence without the possibility of parole. His letter tentatively asked the questions that had been haunting him: Who are you? How did this happen? That letter led to a correspondence and relationship that have lasted for several years. Over dozens of letters and prison visits, Wes

discovered that the other Wes had had a life not unlike his own: Both had had difficult childhoods, both were fatherless; they’d hung out on similar corners with similar crews, and both had run into trouble with the police. At each stage of their young lives they had come across similar moments of decision, yet their choices would lead them to astonishingly different destinies. Told in alternating dramatic narratives that take readers from heart-wrenching losses to moments of surprising redemption, *The Other Wes Moore* tells the story of a generation of boys trying to find their way in a hostile world. BONUS: This edition contains a new afterword and a *The Other Wes Moore* discussion guide.

What Do I Say About That? Sep 02 2020 Why can't he see what he did to me - to our family? This book takes a unique look at the internal struggles with which a child of an incarcerated parent is faced. My dad says that drugs and alcohol made him choose to do the wrong things. The Boy Crisis Mar 28 2020 What is the boy crisis? It's a crisis of education. Worldwide, boys are 50 percent less likely than girls to meet basic proficiency in reading, math, and science. It's a crisis of mental health. ADHD is on the rise. And as boys become young men, their suicide rates go from equal to girls to six times that of young women. It's a crisis of fathering. Boys are growing up with less-involved fathers and are more likely to drop out of school, drink, do drugs, become delinquent, and end up in prison. It's a crisis of purpose. Boys' old sense of purpose—being a warrior, a leader, or a sole breadwinner—are fading.

Many bright boys are experiencing a "purpose void," feeling alienated, withdrawn, and addicted to immediate gratification. So, what is The Boy Crisis? A comprehensive blueprint for what parents, teachers, and policymakers can do to help our sons become happier, healthier men, and fathers and leaders worthy of our respect.

Inexplicably Me Feb 07 2021 A hilariously moving and inspirational memoir of a girl with two gay dads, navigating her way through life with joy, love, gratitude, and an excellent sense of humor. As the daughter of two gay fathers in the 90s, Chelsea has always had a different outlook than some people. And yet, her message is one of universal importance - love is the most important force in the world. Through her moving and at times hilarious memoir, Chelsea reflects on how we are all much more similar than we are different. Living "two doors down from normal," Chelsea quickly learned that society loves to put people in boxes, but these boxes do not always reflect how we feel about ourselves. Through Inexplicably Me, Chelsea works to bring people together in love and acceptance and to illustrate that, while her story may seem worlds away from others, we all strive for happiness and love. From sharing the stage with President Obama when she was only eighteen years old, to her father spending her senior year of college in federal prison camp, to her biological mother dying of cancer when she was only 56, Chelsea explores her painful and joyful experiences with the hope that readers will find inspiration to face their own challenges and embrace their own joys. Inexplicably Me is a bridge for those who fear what they don't understand, as well as a possibility for those who have lacked love in their lives to see how they can start to access their self-worth, begin achieving their dreams, and start loving themselves again. Most of all, it is a reminder that everyone will have an opinion about who you are supposed to be, but you, and only you, get to decide exactly who it is you want to be.

His Fake Prison Daddy Mar 20 2022 When eighteen-year-old hacker Elias Stuyvesant ends up in a maximum security state prison, he's woefully unprepared despite his time in juvie. On day one, he's thrown in with a man known as the Santa Fe Slayer, Ambrose Hughes. Hughes is quiet,

disfigured, and weirdly urbane. Elias was so young when Hughes committed his crimes that he has only the faintest idea what Hughes is in for. However, Hughes makes clear that Elias is his ideal victim type...and there's no one to protect Elias from the much larger man with his prison-jacked body and that hard gleam in his dark eyes. Whoever paired them has it in for Elias; that much is obvious. Elias is terrified of Hughes, but he soon realizes the other prisoners are worse. If Elias is going to survive, he'll have to choose the lesser of the evils: To preserve himself, he'll need Hughes for his Daddy. And given Hughes's skewed morality, they'll have to fake it till they make it. CW: typical prison warnings. Violence between inmates and guards but not between main characters. *My Dad's in Prison* Sep 26 2022 A simple, sensitively written exploration of having a parent in prison. Children with a parent in prison often feel isolated, ashamed - unable to talk about their situation because they are scared of being bullied and judged. They often feel that they are to blame and having a parent in prison marks them as an outcast.

Daddy King Jan 26 2020 From coming of age under poverty and the looming threat of racial violence to preaching from the Ebenezer pulpit for forty years, King, Sr., candidly reveals his life inside the civil rights movement, illustrating the profound influence he had on his son. Born in 1899 to a family of sharecroppers in Stockbridge, Georgia, Martin Luther King, Sr., came of age under the looming threat of violence at the hands of white landowners. Growing up, he witnessed his family being crushed by the weight of poverty and racism, and escaped to Atlanta to answer the calling to become a preacher. Before engaging in acts of political dissent or preaching at Ebenezer Baptist Church, where he would remain for more than four decades, King, Sr., earned high school and college diplomas while working double shifts as a truck driver—and he won the heart of his future wife, Alberta “Bunch” Williams. King, Sr., recalls the struggles and joys of his journey: the pain of leaving his parents and seven siblings on the family farm; the triumph of winning voting rights

for blacks in Atlanta; and the feelings of fatherly pride and anxiety as he watched his son put his life in danger at the forefront of the civil rights movement. Originally published in 1980, *Daddy King* is an unexpected and poignant memoir. "There are two men I am supposed to hate. One is a white man, the other is black, and both are serving time for having committed murder. James Earl Ray is a prisoner in Tennessee, charged with killing my son. Marcus Chenault was institutionalized as deranged after shooting my wife to death. I don't hate either one. There is no time for that, and no reason, either. Nothing that a man does takes him lower than when he allows himself to fall so far as to hate anyone." —The Reverend Martin Luther King, Sr., in *Daddy King*
