The Pocho Research Society Field Guide to L.A. Jun 23 2022 Visual and performance artist Sandra de la Loza presents a wry commentary on the Chicano history of Los Angeles in this field guide to Downtown and East Los Angeles. Using the format of the photographic essay, she documents the exploits of the Pocho Research Society, an organization dedicated to commemorating sites in Los Angeles that are of importance to the Chicano community but that have been erased by urban development or neglect. Through the unauthorized acts of commemoration, the Pocho Research Society calls our attention to their absence from official narratives. The field guide also offers playful tours of the murals at Estrada Courts and the Fort No Moore Secret Museum, founded by the Pocho Research Society to preserve the history of the Fort Moore Pioneer Memorial (a history that includes accounts of the Lizard People, who lived in catacombs far beneath the monument). By drawing attention to these invisible monuments and lost histories, de la Loza asks her readers to consider the broader question of what constitutes a community's history.

Mexican WhiteBoy May 10 2021 Newbery Award-winning and New York Times bestselling author Matt de la Peña's *Mexican WhiteBoy* is a story of friendship, acceptance, and the struggle to find your identity in a world of definitions. Danny's tall and skinny. Even though he's not built, his arms are long enough to give his pitch a power so fierce any college scout would sign him on the spot. Ninety-five mile an hour fastball, but the boy's not even on a team. Every time he gets up on the mound he loses it. But at his private school, they don't expect much else from him. Danny's brown. Half-

Mexican brown. And growing up in San Diego that close to the border means everyone else knows exactly who he is before he even opens his mouth. Before they find out he can't speak Spanish, and before they realize his mom has blond hair and blue eyes, they've got him pegged. But it works the other way too. And Danny's convinced it's his whiteness that sent his father back to Mexico. That's why he's spending the summer with his dad's family. Only, to find himself, he may just have to face the demons he refuses to see--the demons that are right in front of his face. And open up to a friendship he never saw coming. Matt de la Peña's critically acclaimed novel is an intimate and moving story that offers hope to those who least expect it. "[A] first-rate exploration of self-identity."-SLJ "Unique in its gritty realism and honest portrayal of the complexities of life for inner-city teens...De la Peña poignantly conveys the message that, despite obstacles, you must believe in yourself and shape your own future."-The Horn Book Magazine "The baseball scenes...sizzle like Danny's fastball...Danny's struggle to find his place will speak strongly to all teens, but especially to those of mixed race."-Booklist "De la Peña blends sports and street together in a satisfying search for personal identity."-Kirkus Reviews "Mexican WhiteBoy...shows that no matter what obstacles you face, you can still reach your dreams with a positive attitude. This is more than a book about a baseball player--this is a book about life."-Curtis Granderson, New York Mets outfielder An ALA-YALSA Top Ten Best Book for Young Adults A Junior Library Guild Selection

The Progression from Individual to Social Consciousness in Two Chicano Novelists
Dec 17 2021

Pocho (En Espanol) Jul 24 2022 Jose Antonio Villarreal illuminates here the world of "pochos," Americans whose parents come to the United States from Mexico. Set in Depression-era California, the novel focuses on Richard, a young pocho who experiences the intense conflict between loyalty to the traditions of his family's past and attraction to new ideas. Richard's struggle to achieve adulthood as a young man influenced by two worlds reveals both the uniqueness of the Mexican-American experiences and its common ties with the struggles of all Americans—whatever their past.

Conclusion 13 V. Bibliography I. Introduction This term paper deals with two pieces of American immigrant literature of different culture, political background, time and setting. The novel “Pocho” by Jose Antonio Villarreal published in 1959 was the first Chicano novel. It was written primarily for an Anglo- American audience in order to explain the life of a “Pocho”. Villarreal wrote the novel without any guideline as no one had entered this “political vacuum” before.¹ The novel “Mona in the Promised Land” by the Chinese-American writer Gish Jen published in 1996 introduces us into the multicultural life of the predominantly Jewish New York suburb of Scarshill in 1968. I will show in this term paper that despite the many differences in the two novels there also are many commonalities and parallels what life and the problems between the two protagonists and their parents concerns. I will furthermore try to present in detail that the familiar sorrow in both novels is closely connected with the complex conflict of generations within two cultures, as well as the protagonist’s search for identity that results from this. In the first part I will analyze Richard’s changing relationship towards his parents. In the second part I will show that also Mona despite her completely different background and environment faces similar problems which finally lead to the break up with predominantly her mother. Furthermore I will expose that Mona and Richard share common interests and ways. At the end of my work I will finally compare the parallels but also show differences between the two novels. II. “Pocho” 2.1 Background to the Novel The term “Pocho” is an expression for a Mexican who is born and raised in the United States. It is used with an abusive connotation to describe Mexican Americans in the USA. “Pochos” are often perceived by Mexicans to be badly-educated and without a proper sense of culture. Jose Antonio Villarreal’s novel “Pocho” is set after the Mexican Revolution of 1910 when millions of Mexicans migrated to the USA in order to get work by the so-called first “Bracero-Program”. [...]

Pocho Nov 04 2020 Pocho es una historia de amistad, aceptación y la lucha por encontrar tu identidad en el mundo. Danny es alto y delgado. A pesar de no ser fuerte, sus brazos

son lo suficientemente largos como para lanzar un balón de fútbol americano con tanta fuerza, que cualquier cazatalentos lo contrataría sin pensarlo dos veces. Pero Danny ni siquiera es parte de un equipo. Cada vez que se entra en el campo, es como si perdiera sus poderes. Pero eso no tiene importancia. No es como si en la escuela privada a la que va esperen mucho de él. Danny es morenito. Y crecer en San Diego, una ciudad tan cercana a la frontera, significa que todo el mundo sabe exactamente quien es, incluso antes de pronunciar una palabra. Antes de saber que Danny no habla español y que su mamá es rubia y de ojos azules, ya todos han formado una impresión de él. Incluso el mismo. De hecho, Danny está convencido de que las discrepancias entre su piel y su cultura han sido la causa de que su padre haya regresado a México. Por eso pasará el verano con la familia de su papá. Pero para encontrarse a sí mismo, primero tendrá que enfrentarse a los demonios que tanto ha evadido, y tendrá que aceptar abrirse a una amistad jamás imaginó que formaría.

Assimilation Through Alienation Dec 05 2020 ABSTRACT.

José Antonio Villarreal and Pocho Oct 27 2022 This book blends biography, history, and literary criticism in its analysis of *Pocho* (1959), José Antonio Villarreal's evocative and semi-autobiographical novel about Richard Rubio, a Mexican American youth raised in a pastoral community in central California where people self-identified according to race, ethnicity, or religious affiliation. Richard is the son of an Indigenous Maya mother and a Mexican, fair-skin father who fought in the 1910 Mexican Revolution as a cavalryman, placing Richard outside the town's imposed and regulated ethnic identities. In spite of his varied ancestry, his American birth, and his probing intelligence, Richard's Indigenous appearance casts him as a social outsider. *Pocho* was written over a nine-year period of vigorous creativity, and with Villarreal's power of recall and imagination at

their prime. In writing his inaugural novel, Villarreal drew inspiration from modern narratives (paintings, novels, films), and from ancient Greek tragedy to create a Mexican American version of its classical drama ancestor. This book's critical approach to Villarreal's literary work is intelligibly written so as to be of access to a broad and all-inclusive readership and institutions, from college and university professors, public libraries, and the general reader to students of US, Mexican American, and world literatures.
